

# Assumptions

1. Good communication between the YOT, Spark2Life and the Serious Group Violence panel (weekly meetings with case workers)
2. Spark2Life workers are credible messengers/role models to young people (not seen as authority figure, and sessions don't take place at the YOT)
3. Willingness of young people to engage
4. Spark2Life workers are competent and major on positively engaging the young person to influence change by earning the right through relationships
