

A BETTER OPTION THAN PRISON

The London Accommodation Pathfinder

This new project will be suitable for 16 to 17 year old males.

You can be placed in the LAP for up to 6 months and this will be another option to a remand or prison sentence.

Building positive relationships, focusing on your strengths and providing you with support are at the heart of this project.

WHAT WE NEED FROM YOU:

✓ Agree to live at an alternative to custody placement throughout your journey.

✓ Agree to work with staff that will be supporting you throughout your journey.

✓ You will have an electronically monitored curfew (tag).

✓ Your Youth Justice Service will advise you on the locations that you are not allowed to travel to.
