

Do you know the 3 priorities of CYJS and what is your understanding of them?

1 _____

2 _____

3 _____

What is your understanding of the cohort of children open to CYJS and their specific needs?

Do you feel that as a board member you understand your role within the YJMB and how would you describe this?

What are your thoughts on:

- the induction process you received
- ongoing training/development provide to you as a board member?

Do you complete the proforma in preparation for the YJMB? Any suggestions for improvement?

How do you feel you could enhance the management board meetings, and what could you contribute? e.g. agenda structure, themes for the YJMB, any service area you feel would be beneficial for future agendas
